Good Afternoon!

I received word from our lab and I'd like to set some appointment dates with you.

Are you available:

- **04/22/25** for your Records appointment (1hr) **3:00pm**
- **06/02/25** for your Pre-Op appointment (15min) **1:00pm**
- **06/09/25** for your Prep appointment (4-5hrs) **8:30am**
- **06/16/25** for your Provisional Approval (1hr) **3:00pm**
- **07/07/25** for your Final Delivery (4-5hrs) **8:30am**
- **08/05/25** for your Photos and Appliance Delivery (30min) **3:00pm**

Please call me to discuss these dates, if you have any changes, once you have coordinated with your schedule. I have reserved these blocks for you on our schedule in coordination with our lab's schedule on Dr. Seay's. I just need your final approval.

Thank you!
