Good Afternoon Rosie!

We are going to be doing a cosmetic case for patient Jenna Cronin. She will complete her Records appointment on 4/22/25, which we will send scans/photos and Rx that day. This is going to be for 5 Porcelain Veneers and 1 implant crown, so 6 total units. We have her tentatively scheduled for prep on 6/9/25 and her provisional approval on 6/16/25.

Could you please give me your earliest return date for both her wax ups and finals ?

Thank you so much for helping me coordinate her case!
